

Scholastic Book Fair Bingo Instructions

This classroom contest is designed to share books with students and build excitement the week prior to the Book Fair.

Booklist Flyer

Example

Directions:

1. Have each classroom create their own unique bingo card using a copy of the Book Fair booklist flyer bingo sheet attached. Cut out images of the books and paste one image to each box of the bingo card like the example shown above.
2. Each morning on the announcements, share the descriptions of two to three books advertised on the booklist flyer. Classrooms will cross off those titles as they work toward securing "BINGO."
3. The classroom that gets bingo first can win a prize such as a popcorn party or extra recess time.
