“The topics covered offer a lot of appeal in a fun, informative format. Each fact is presented as a short chapter with accompanying sidebar information. Bright photographs accompany the text. Each volume includes a related but rather basic activity.” (See page 28)

—School Library Journal

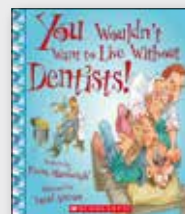

“From the sunglasses-wearing Chihuahua and parka-clad French bulldog gracing the cover, kids will have no trouble understanding the concept of opposites, thanks to the lovable pups embodying each word in this sturdy board book.” (See page 29)

—Booklist

“Stuffed with rules, tips, and facts, these books will inspire students to work hard at their preferred sport. Descriptions of the most important rules make sure readers take the field (or court) with strong basic knowledge.” (See page 32)

—School Library Journal

“The book manages to convey considerable scientific information accurately with the artful aid of clever text boxes, colored cartoons, and diagrams. It encourages teeth brushing with a page *Top Tips for the Teeth.*” (See page 35)

—Science Books & Films

“Historical information is balanced nicely with an engaging pair of protagonists, making this entry in the *If You Were a Kid* series a wonderful choice for an introductory read-aloud.” (See page 22)

—Booklist

“The French-imported *Look & Find* series will keep kids engaged with its busy, cartoonish seek-and-find format set within a tall, narrow trim size. Five gatefold spreads invite readers to spot approximately 30 items in each illustration, and then open to reveal lively nature scenes reminiscent of Richard Scarry.” (See page 23)

# If You Were a Kid

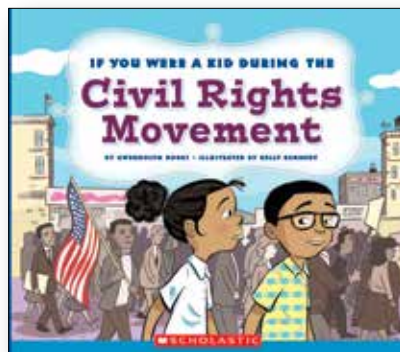

Life today is very different than it was in the past. Think of the things you have today. The clothes you wear. The kind of home you live in. The foods you eat. Many of these probably wouldn't be the same if you were living in a different period of time. Through the stories of the *If You Were a Kid* series, readers are transported to some of the most important moments in history to experience life through a kid's-eye view.

# Getting to Know the World's Greatest Composers

Written and illustrated by Mike Venezia

These books are without a doubt the definitive—and most entertaining—biographies of composers for young readers. Venezia's clever mix of historical photographs, his own tongue-in-cheek cartoon illustrations, and factual biographical text combine to present the composers as they really were.
