

Clifford

THE BIG RED DOG™

Make Clifford Ears

What you'll need:

Red construction paper

Tape

Scissors

1. Using the ear shapes below as a template, cut ears out of red construction paper.
2. Cut long strips out of the paper approximately 2 inches wide and the length of the paper. These strips will be used for the headband the ears will hang from. You will need two strips taped together from end-to-end for each child. Have the set of ears ready for each child to wear!

Tip: Prepare headband strips in advance by measuring one child's head and using it as a guide! .
