### Our Table

by Peter H. Reynolds 🍁, Peter H. Reynolds 🍁  
Oct 05, 2021 Hardcover \$22.99 CAD

**Creative visionary of *The Word Collector*, *Happy Dreamer*, and *The Dot*, #1 *New York Times* bestseller Peter H. Reynolds creates a tender, lyrical story of multigenerational love, tradition, and family coming together with gratitude and thanks.**

Celebrated, bestselling creator Peter H. Reynolds brings his signature touch of love and kindness to this special, timely picture book, as families now, more than ever, are rediscovering and reevaluating what means the most: time together with one another.

Violet longs for the time when her family was connected: before life, distractions, and technology pulled them all away from each other. They used to gather at the table, with food and love, to make memories, share their lives, and revel in time spent together. But now her family has been drifting apart, and with nobody to gather around it, the table grows smaller and smaller.

Can Violet remind her family of the warmth of time spent together, and gather around the table once more?

A mystical fable that feels at once timeless and utterly of the present moment, *Our Table* is renowned, bestselling creator Peter H. Reynolds at his best. Exquisite, expressive watercolor tells a tender story, growing from monochrome into luscious, joyful color as Violet's family is reunited around the beloved table. An ode to traditions that unite families, *Our Table* brings readers together with a universal message of gratitude.

**Can You Imagine?**

By (author) Wallace Edwards 🇨🇦, Illustrated by Wallace Edwards 🇨🇦

Sep 07, 2021 | Hardcover, Picture book, Paper over boards, Dust jacket | \$19.99

**Where do ideas come from? Everywhere!**

From the mind and paintbrush of one of Canada's best-loved children's book creators comes a visually delightful story about ideas, creative expression, and mindfulness.

When our hero, a pig, stares at his empty canvas, he feels like he doesn't have any new ideas. So he sets off to find inspiration. Does he really go anywhere, or is it mostly in his mind? That's up to the reader, but a fantastic journey winds him through lots of interesting places, surreal and everyday, which provide a feast for his senses. When he's had enough, he heads home, full of ideas. He returns to his canvas and paints something that was always close to home — just outside his door, in fact — but that he now sees in a new light as a result of his creative journey.

Full of humour, whimsy, and wisdom, *Can You Imagine?* is a great jumping-off point for thinking about where to find ideas (everywhere!), taking in the world around you, and listening to yourself to find your creativity.

**Contributor Bio**

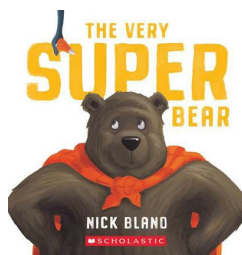

**WALLACE EDWARDS** is a graduate of OCA whose picture books have been nominated for three Governor General's Literary Awards; he won the award for *Alphabeasts*. Other honours include the Amelia Frances Howard-Gibbon Award, two Independent Publisher Book Awards, a Canadian Toy Testing Council Great Book Award, a CLA Honour Book and two OLA Best Bets, among many others; and his work has also been added to the International Youth Library White Ravens list.

by Mary Shaw 🇨🇦, Chuck Temple 🇨🇦  
Sep 07, 2021 Paperback , Trade \$6.99 CAD

**Brady Brady books are hockey — with heart!**

And Brady is right — the signed puck does make the game better! The shots are harder, the skating is speedier and the plays are spectacular. Should he tell the truth?

The Brady series is much-loved by teachers and coaches for its engaging character education themes. In *Brady Brady and the Big Mistake* Brady and his friends confront issues focusing on responsibility and owning up to your mistakes.

Brady Brady  
**Brady Brady and the Santa Search**

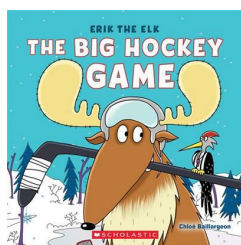

by Mary Shaw 🇨🇦, Chuck Temple 🇨🇦  
Oct 05, 2021 Hardcover , Picture book \$16.99 CAD

**It's hockey with heart, all wrapped up in an action-packed Christmas story!**

The tree is tinselled, the cookies are baked and the Zamboni machine is decorated. Brady loves Christmas almost as much as he loves hockey! But this year, between the holiday rush and the rink, he forgets to send Santa a letter.

At the Christmas Eve game, Brady blows his signature move because a flash of red distracts him. It's Santa! Right? The hunt is on, as Brady and his teammates from the Icehogs search the arena from rink to rafters so that Brady can give Santa his letter in person. But Santa's not in the bleachers. Or the snack bar. Or the parking lot . . . or anywhere.

Brady's holiday is looking like it's going to be ho-ho-hum. But his mood brightens when he gets home. Maybe it's not too late for his Christmas wish after all!

By (author) Gordon Korman   
Sep 07, 2021 | Paperback , Trade | \$12.99

**Two classic Gordon Korman titles in one — perfect for the sports fanatic!**

These two favourite novels come together in one paperback edition:

***The Chicken Doesn't Skate***

What do a scientist, a screenwriter, and a hockey team all have in common? A chicken! Milo's trying to do a project on the food chain, where he charts the growth of a baby chick, and plans to serve his specimen to the judges at the science fair. Only, his classmates have other ideas for the chicken. They claim that the chick's a good-luck charm, a friend and even the hockey team's new mascot!

***The Toilet Paper Tigers***

Corey Johnson never dreamed Little League could be so humiliating. But that was before he joined the Feather Soft Tigers. It's bad enough that the team uniforms have pictures of toilet paper on them — thanks to their sponsor. But with a catcher who's afraid of the ball, a right fielder who falls asleep during the games and a coach who knows zero about baseball, it looks like the Tigers are going straight down the toilet!

Can they use their hockey superpowers to overpower the power-hungry bunny? Find out in this third action-packed, laugh-a-minute book in the Hockey Super Six series.

Short chapters packed with action and jokes keep kids gripped, and wondering how the Super Six will win the day. Loads of images and cartoons mixed in with the text keep the read light and fun.

## Traitors Among Us

By (author) Marsha Forchuk Skrypuch 

Sep 07, 2021 | Paperback , Trade | \$9.99

**World War II may be over, but two sisters are far from safe.**

Inspired by true events, this is the latest gripping and powerful novel from the acclaimed author of *Making Bombs for Hitler*.

Sisters Krystia and Maria have been through the worst – or so they think. World War II ravaged their native Ukraine, but they both survived, and are now reunited in a displaced persons camp.

Then another girl accuses the sisters of being Nazi collaborators. Nothing could be further from the truth; during the horrors of the war, both sisters resisted the Nazis and everything they stood for. But the Soviets, who are now in charge, don't listen to the sisters' protests. Krystia and Maria are taken away and interrogated for crimes they never committed.

Caught in a dangerous trap, the sisters must look to each other for strength and perseverance. Can they convince their captors that they're innocent – or escape to safety before it's too late? *Traitors Among Us* continues the story of sisters Krystia and Maria from *Don't Tell the Nazis* and *Trapped in Hitler's Web*.

**Excerpt from *Taking the Ice*:**

*"Bus is waiting," said his mother.*

*"I know," Aiden said quietly.*

*"Are you okay?" his mom asked. She moved to touch his face.*

*"Please don't," said Aiden. "I'm fine."*

*"I had to walk to school," mumbled his grandpa. "Five miles, every day."*

*As much as Aiden sometimes wanted to tell Grandpa that life wasn't about the olden days anymore, he didn't. It wasn't his grandpa's fault he was old and liked to tell the same stories over and over – or that he was the reason they had to move. Well, one of the reasons.*

*Aiden pushed down the lump in his throat and kissed his grandpa's bristly cheek before walking outside.*

*The bitter air smacked him in the face. Aiden was sure he would never get used to winter lasting ten times longer than summer. He was still zipping up his too-thin jacket – the one from last year's hockey team in Florida – when he stepped onto the bus and walked past the driver.*

*"Sorry," said Aiden. He ducked his head.*

*"You're lucky I knew your dad," said the driver. "Used to watch him play. Man, did he have wheels."*

*Aiden's throat went dry. His heart accelerated. Why did everyone always have to mention him?*

**Meet Alex Ovechkin, the NHL's greatest goal-scorer of the 21st century!**

Alex Ovechkin is already the greatest goal-scorer of the 21st century. He holds one of the most famous shots in NHL history, a blazing one-timer from the top of the left circle. Alex was born in Russia to a family of top athletes — none of them hockey players. His path to the NHL came after proving himself with the legendary Moscow Dynamo in the Russian Hockey Super league.

Drafted by the Washington Capitals in 2004, he's been the anchor of his team ever since. It was a long time in coming, but on June 7, 2018, the Capitals defeated the Vegas Golden Knights and Alex was finally a Stanley Cup champion! Victory was made sweeter when Alex was voted winner of the Conn Smythe Trophy as playoff MVP. "Alexander the Great" is still playing at the top of his game, with a chance to become No. 1 goal scorer in NHL history!

This full-colour, easy-to-read biography is packed with photos and has 16 pages of hockey action comic sequences. It's sure to be a favourite read with his legions of young fans!

**Meet David Suzuki (Scholastic Canada Biography)**

By (author) Elizabeth MacLeod 🍁, Illustrated by Mike Deas 🍁  
Sep 07, 2021 | Hardcover, Picture book, Paper over boards | \$16.99

**Meet David Suzuki: scientist, educator, and environmental activist!**

The award-winning Scholastic Canada Biography series highlights the lives of remarkable Canadians whose achievements have inspired and changed the lives of those who followed.

As a young boy, David Suzuki loved spending time in the glorious British Columbia outdoors with his father. The racist policies against Japanese Canadians during World War II put an abrupt end to that when David's family was sent to a Japanese internment camp in 1942. After the war, the Suzuki family was forced to leave B.C., settling in Ontario. David immersed himself in learning, earning a PhD in zoology, becoming a professor, and eventually taking his love of science education into the public sphere with his shows on CBC radio and television. His connection to nature, commitment as a scientist, and media presence found David among the first to raise the alarm on how human behaviour is endangering all life on Earth. He has worked tirelessly to bring attention and, more importantly, offer solutions to this critical issue. Climate change is one of the most important issues of our time, and David Suzuki has led the charge in education and activism in Canada for decades.

This portrait of David Suzuki couples simple yet compelling writing with comic-flavoured illustrations that help bring this fascinating story to life!

# Set amidst Toronto's turbulent summer of 1933, this graphic novel sheds light on prejudice and social injustice.

## A letter from Ted Staunton

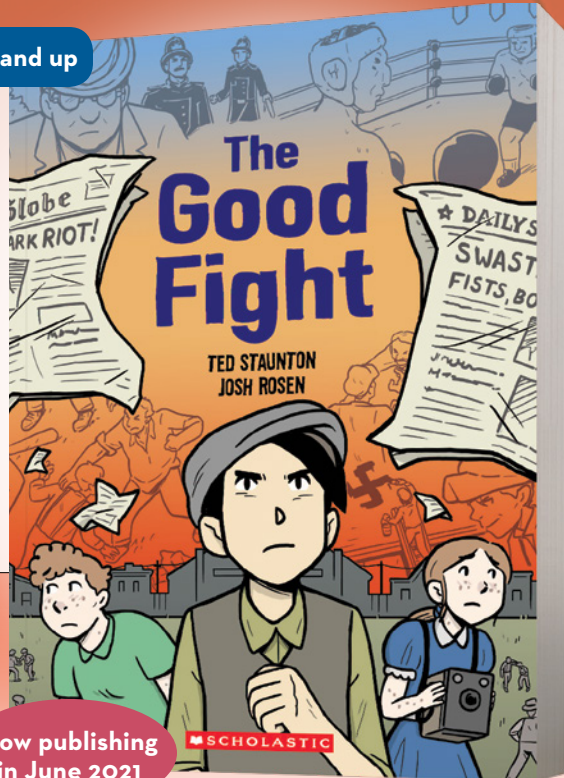

My grandpa, W.J. Stewart CBE, was Mayor of Toronto when the riot at Christie Pits happened. He never talked about it to me; I was young when he died, in 1969. Besides, his duty and principles spoke for themselves, and Grandpa was only part of a story that was everyone's. Later, when I learned more, I wanted to share that story, and a bit of his. *The Good Fight* is the result.

August 16, 1933 was a pivotal moment for Canada. It made us face the future, whether some chose to look then or not. More than ever, the time to look – and hear the story again – is now. I think Grandpa would agree.

A timeless and timely picture book that celebrates the unassuming power of kind words.

"Lala's Words is really about magic; a special kind of magic called kindness. Like the sunlight and the falling rain, kindness nourishes the world around us. This book, with its lovely art and whimsical story, will also nourish the reader." — The Fan Brothers (*The Night Gardener, Ocean Meets Sky*)

"Much like an encouraging word, the vibrant pictures in this book will lift you up." — Christian Robinson (*Last Stop on Market Street, Another*)

Born in Vancouver, British Columbia, now living in Brooklyn, New York, Gracey Zhang is a picture book talent to watch!
