Every kid is creative. Even if they don't know where to start—yet.

That's where we come in. At Klutz, we empower kids to discover their creativity with crafts, kits, books, and other fun stuff.

Klutz piques curiosity, inspires creativity, and delivers a one-of-a-kind experience. Kids love Klutz because it allows them to craft, play, learn, and experiment to their heart's content. They are challenged and rewarded. They make mistakes. And they make wonderful, silly, fantastically fun memories.

Dear Sir or Madam,

This is just a quick note from a homeschooling mom of a special needs eleven year old girl. Due to her challenges, we have never been able to accomplish any kind of yarn craft... until today- that is!! My Ruthie, along with her little sister Winifred made their first t-shirt yarn loom animal. Thank you, thank you for the high quality, easy, pictured- directions -- the illustrations were spot-on and the wording just on a great level for young learners. What a boost of creative confidence this textile craft has birthed in both my little ladies. I needed to pause my afternoon chores and write you a quick note. Thank you.

Blessings on your business,
Susan (with Ruthie & Winnie)

Felted Food Friends

Dear Ms. Kim,

I hope you are having a good week. My name is Paul. I am eight years old. I am in 3rd grade and I am homeschooled. I got the Ultimate Invisible Activity Book for Christmas. I read the note about the \$1,000,000 bill. Is it true?

Sincerely,
Paul
