The Snow Thief

From *New York Times* bestselling creators of *Le voleur de feuilles* comes the funny snowy companion picture book that teaches kids about winter, adapting to change, and the seasons.

## Cupicochon : Une drôle de Saint-Valentin

Cupig: The Valentine's Day Pig

A *New York Times* bestseller!

A comically mismatched Valentine's Day picture book with a clever and hilarious take on Cupid.

Introducing Cupig the Valentine's Day pig!

Cupig absolutely loves Valentine's Day. Every year she enjoys spreading love and cheer to every creature, far and near. But when a storm blows through and sends her arrows off course, Cupig accidentally puts arrows in hearts that don't need to be mended. Peanut Butter has stopped loving Jelly! Salt and Pepper have broken up! Needle and Thread are falling apart at the seams!

Will Cupig ever fix her mistakes and get these classic pairs back together again?

With clever rhyming text and comically expressive art, *Cupicochon* is sure to be a Valentine's Day classic for years to come! The perfect Valentine's Day gift and for fans of *Little Blue Truck's Valentine*, *Comment capturer un amoureuxaure*, and *Love from the Crayons*!

**CLAIRE TATTERSFIELD** is an assistant editor at Viking Children's Books and Flamingo Books at Penguin Young Readers. After finishing college as editor-in-chief of her school's satire paper, she found that her skills in writing short-form satire translated phenomenally to writing picture books, and that is how *Cupicochon* was made. She lives in Brooklyn, New York.

**ROB SAYEGH JR.** is a former toy designer turned *New York Times* bestselling children's book illustrator. He is the author-illustrator of *Love Tails*, and the illustrator of *I'm Not Scared, You're Scared!*, and *Slow Down, Tumbleweed*. Combining real-world textures and photography with his illustrations, Rob enjoys creating worlds and characters that make people of all ages smile and giggle. He currently lives in San Francisco with his family.

### ★ PRAISE

" Move over, Cupid — a pink piggy competitor takes a shot at creating love matches in this mixed-up Valentine's Day outing. "

~ *Publishers Weekly*

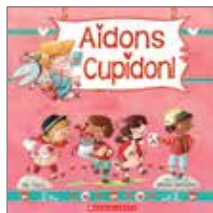

" Pun-filled speech bubble commentary accompanies the rhyming verse that flows cheekily from page to page, gently making fun of these pairings and inviting viewers to consider other familiar duos like Peanut Butter and Jelly. This one's sure to be a hit with the picture book crowd come mid-February. "

#13: Big Jim Begins

Everyone's favourite superhero is back in the thrilling thirteenth graphic novel in the #1 worldwide bestselling series by award-winning author and illustrator Dav Pilkey! It's heroic, it's heartfelt, it's hilarious — it's *Super Chien!*

Discover the origin of our beloved characters from the *Super Chien* series as they join forces to stop the Space Cuties from destroying the city. Will the past predict the future for Super Chien and his friends? Will goodness and bravery prevail? Can anything happen if you truly believe?

When **DAV PILKEY** was a kid, he was diagnosed with ADHD and dyslexia. Dav was so disruptive in class that his teachers made him sit out in the hallway every day. Luckily, Dav loved to draw and make up stories. He spent his time in the hallway creating his own original comic books — the very first adventures of *Super Chien* and *Capitaine Bobette*. In the second grade, Dav's teacher ripped up his comics and told him he couldn't spend the rest of his life making silly books. Fortunately, Dav was not a very good listener.

## Marvel : Shang-Chi La bande dessinée : La quête de l'immortalité

Marvel: Shang-Chi and the Quest for Immortality

Marvel break-out Shang-Chi sets off to unlock the keys to immortality and save his father in this all-new, original graphic novel adventure!

Twelve-year-old Shang-Chi and his younger sister, Shi-Hua, are the only children in the grand palace of the Five Weapons Society. Their father, Zheng-Zu, is a harsh master, and all Shang-Chi wants is to prove himself in his father's eyes.

So when he overhears that his father's powers may be waning and discovers an ancient scroll that might be the key to helping him get those powers back, Shang-Chi knows exactly what to do. For the first time in his life, he sneaks out of the palace and into the outside world, hoping to return with one of the legendary Peaches of Immortality to gift his father.

But the world beyond the palace is very different from everything Shang-Chi has been taught, especially a boy called Lu, who knows more about Zheng-Zu than he should. With his home and father's health on the line, Shang-Chi cannot fail in his quest — but does his father deserve to be saved?

## Ne tourne PAS la page!

Do Not Turn the Page!

Charlie does NOT want to take a bath!

*Hi! I'm Charlie, and there is NO WAY I'm having a bath tonight.  
To be extra safe, I'm keeping this book FAR away from my bathtub.  
In fact, maybe you should just put it down and walk away.*

*Whatever you do, do NOT turn the page!*

In this hilarious story, readers get to take control. As each page turns, our hero, Charlie, moves all the way from his muddy backyard into his house and closer to the bathtub — protesting every step of the way! Readers will delight in Charlie pleading, cajoling and even trying to trick them into turning back the pages so he can happily play outside again.

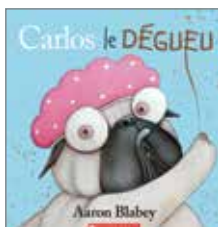

Author Jane Blondie brings a fresh spin to this familiar experience — one where kids and their caregivers will delight in getting Charlie to his inevitable end — scrubbed and clean and ready for bed!

**JANE BLONDIE** is originally from Chatham, Ontario, and now lives in Toronto with her husband, two daughters, one bathtub, and a kajillion rubber duckies! She is a specialist drama and dance teacher and has a marionette puppet named Charlie who has entertained her students for the past two decades. Jane's passion for writing was sparked in grade six by an influential teacher. *Ne tourne PAS la page!* is Jane's picture book debut.

**MARCUS CUTLER** was once a very messy kid, but then he grew up to be a slightly less messy adult. He is the illustrator of many books, including *The Three Canadian Pigs* and *Travel Guide For Monsters Part Deux: A Canadian Adventure*, and the author and illustrator of *I Do Not Eat Children*. Marcus lives in Tecumseh, Ontario, with two cats, one somewhat messy kid, one incredibly messy kid, and one fairly tidy wife.

## La journée gâchée de Béa

Bea's Bad Day

What can you do when everything goes wrong? From the creator of *Le souci de Calie* and *La colère de Ravi* comes a story about disappointment and having fun even when things don't go the way you hoped.

Béa is looking forward to her birthday — but what will happen when everything goes wrong?

Béa is looking forward to the PERFECT day. She can't wait to have the special time with family, presents, treats, and cake! But then things begin to go wrong. When a storm blows in, suddenly nothing is how Béa hoped it would be. None of the guests can come, and the mail can't be delivered with Béa's cards and gifts. Will there even be cake?! Everything seems completely ruined, and Béa's SPECIAL day turns into a BAD day.

Can Béa find a way to be okay — even in the middle of a very disappointing day?

Reassuring and hopeful, this book is a perfect starting point for helping kids learn to face disappointment, practice flexibility, and find fun where they least expect it.

Tom Percival provides kid-friendly entry points into emotional intelligence topics — from being true to yourself to dealing with worries, managing anger, and making friends. These topics can be difficult to talk about. But these books act as sensitive and reassuring springboards for conversations about mental and emotional health, positive self-image, building self-confidence, and managing feelings.

### The Misewa Saga

Narnia meets traditional Indigenous stories of the sky and constellations in this epic middle-grade fantasy series from award-winning author David A. Robertson.

#### N° 2 - Le grand ours

#2: The Great Bear

In this second book in the series, Eli and Morgan journey once more to Misewa, travelling back in time.

Back at home after their first adventure in the Barren Grounds, Eli and Morgan each struggle with personal issues: Eli is being bullied at school, and tries to hide it from Morgan, while Morgan has to make an important decision about her birth mother. They turn to the place where they know they can learn the most, and make the journey to Misewa to visit their animal friends. This time they travel back in time and meet a young fisher that might just be their lost friend. But they discover that the village is once again in peril, and they must dig deep within themselves to find the strength to protect their beloved friends. Can they carry this strength back home to face their own challenges?

### Notre planète : Rien ne vaut la Terre

Our Planet! There's No Place Like Earth

From writer Stacy McAnulty and illustrator David Litchfield, *Notre planète : Rien ne vaut la Terre* is a nonfiction picture book about the Earth, told from the perspective of Earth herself.

Meet Earth. Planet Awesome! And your awesome home! Actually, Earth is home to all the plants and all the animals in the solar system, including nearly eight billion people. Humans have accidentally moved Earth's climate change into the fast lane, and she need your help to put on the brakes. Earthlings need Earth, and Earth needs Earthlings, so let's save Earth together!

With characteristic humour and charm, Stacy McAnulty channels the voice of Earth in the next celestial "autobiography" in this celestial series. Rich with kid-friendly facts and beautifully brought to life by David Litchfield, this is an equally charming and irresistible picture book.

**STACY MCANULTY** is the author of many books for children, notably *Moi, la Terre*, *Moi, le Soleil*, *Moi, la planète Mars*, *Moi, la Lune*, and *Moi, l'océan*, among others. Stacy lives in North Carolina with her family and as many dogs as she can sneak in the house.

**DAVID LITCHFIELD** is the author-illustrator of the award-winning *L'ours qui jouait du piano*, nominated for the Kate Greenaway award. David is the illustrator of *Pépin et Coco* written by Alex Latimer, and *Moi, la Terre* and *Moi, l'océan*, written by Stacy McAnulty. He lives in Bedfordshire in the United Kingdom.

## Le jardin particulier de Millie Fleur

Millie Fleur's Poison Garden

Wednesday Addams meets *The Curious Garden* in this delightfully peculiar story about finding joy in being wonderfully weird.

Garden Glen is a very bland place. Every house and every garden look exactly like the other. That is...until Millie Fleur La Fae comes to town.

Up on a scruffy hill, beside a ramshackle house, Millie Fleur plants her marvellously strange garden, filled with Sneezing Stickyweed, Fanged Fairymoss, and Grumpy Gilliflower. Millie Fleur finds it enchanting, but the townspeople of Garden Glen call it poison!

But Millie Fleur is proud of her beloved little garden. So if some townspeople want to be sticks in the mud, she'll take matters into her own hands and find the kindred spirits who appreciate everything the garden has to offer.

*Millie Fleur's Poison Garden* is a reminder to embrace everything that makes us wonderfully weird. Perfect for fans of the Addams Family movies.

**CHRISTY MANDIN** is the author and illustrator of multiple picture books. She's grown many interesting plants in her garden over the years but, so far, none with teeth or tentacles. She currently lives in Florida with her husband and four children.

## ★ PRAISE

" A girl plants a fantastical idea...This charming, low-key tale celebrates those who unabashedly find unconventional things exciting...No poison here; just a garden of delights about someone who improves things in a unique fashion. "

Dogs Don't Dance

This confidence-building picture book is all about trying new things, embracing difference, encouraging our friends, and defying stereotypes.

Dave the dog wants to dance, but the wise pooches at the park bark in shock. "Stick to digging holes, chasing cats and chewing footballs. Stick to fetching sticks!"

Dave leaves with his tail between his legs. But will he let their words stop him? Or maybe, just maybe, he can convince them to change their minds.

This picture book emphasises the importance of friendship, resilience, and kindness and includes a section at the back of the book where little readers can learn some of Dave's favourite dance moves!

## Le Club des Baby-Sitters

### The Baby-Sitters Club

No matter the situation, you can always count on the Club des Baby-Sitters. Whether it's disobedient children, big dogs, strange neighbours or parents who are little too strict, nothing can stop them when it comes to baby-sitting! Adapted from the beloved series by Ann M. Martin, this series is sure to inspire a new generation of entrepreneurs.

#### N° 14 - L'erreur de Stacey

#14: Stacey's Mistake

A *Club des Baby-Sitters* graphic novel adapted by National Book Award longlist and Eisner-nominated cartoonist Ellen T. Crenshaw!

Stacey is so excited! Her friends are coming to New York City for a long weekend. It's going to be perfect — a party and a sleepover on Friday night, a big baby-sitting job on Saturday, and lots of sightseeing throughout. But it turns out that the baby-sitters are way out of place in the big city. Mary Anne sounds like a walking guidebook, Dawn is afraid of everything, Kristy can't keep her mouth shut, Claudia is jealous of Laine — Stacey's New York best friend — and Mallory and Jessi feel intimidated by Stacey's classmates. With ten kids to baby-sit and a full schedule of activities, how will Stacey keep the weekend from becoming a complete disaster?

**ANN M. MARTIN** is the creator of *Le Club des Baby-Sitters*, which has more than 190 million books in print, making it one of the most popular series in the history of publishing. Her novels include *A Corner of the Universe* (a Newbery Honor Book), *Belle Teal*, and the Main Street and Family Tree series. Ann lives in upstate New York.

**ELLEN T. CRENSHAW** is the co-creator, with Colleen AF Venable, of *Kiss Number 8*, which was nominated for an Eisner Award and longlisted for a National Book Award. She is also the creator of *What Was the Turning Point of the Civil War?*, a Who HQ graphic novel. When she's not making comics, Ellen loves playing video games, hiking with her dog, and deconstructing movie plots with her husband.
