The Adventures of Super Diaper Baby: Color Edition (Color Edition)

Color Edition

By (author) Dav Pilkey , Illustrated by Dav Pilkey

Aug 05, 2025 | Hardcover \$16.99

***The Adventures of Super Diaper Baby*, the first children's graphic novel by bestselling author and illustrator Dav Pilkey, is now in full color!**

George and Harold are two amazing kids. Not only did they create Captain Underpants, but they saved the world five times! But once again George and Harold are in trouble with their school principal, Mr. Krupp. After they make a mess in the school gym, they have to write a 100-page report on "good citizenship," so they invent a new superhero: Super Diaper Baby. This is an actual baby called Billy who gains special super powers. Super Diaper Baby's archenemy, Deputy Dangerous, wants to steal his powers and take over the planet. Will the diaper-wearing dynamo defeat the deputy, or is the entire Earth doomed?

Featuring a special appearance by Captain Underpants, *The Adventures of Super Diaper Baby* is the hysterical graphic novel tale of the all-new superhero who's faster than a speeding stroller and more powerful than diaper rash.

When Dav Pilkey was a kid, he was diagnosed with ADHD and dyslexia. Dav was so disruptive in class that his teachers made him sit out in the hallway every day. Luckily, Dav loved to draw and make up stories. He spent his time in the hallway creating his own original comic books -- the very first adventures of Dog Man and Captain Underpants. In the second grade, Dav's teacher ripped up his comics and told him he couldn't spend the rest of his life making silly books. Fortunately, Dav was not a very good listener.

"The first installment of Tarshis' sprawling prose disaster oeuvre for young readers is reimagined in visually interesting full-color comic panels that support its recognizable thrilling pace and convenient twists. Many of the most exciting scenes are largely wordless, spotlighting the propulsive action amid growing tensions. A fresh and interesting adaptation, making for an easy crowd pleaser." -- *Kirkus Reviews*

Adorable Empire: A Graphic Novel

By (author) Laura Terry , Illustrated by Laura Terry

Aug 05, 2025 | Paperback, Trade | \$19.99

From the creator of *Graveyard Shakes*, a funny and charmingly offbeat middle-grade graphic novel for fans of *The Witch Boy* and *Making Friends*.

Nothing has been going right for Jinx. People at school think she's a goth weirdo, and now her parents are getting divorced. She has to move to an unfamiliar apartment building that doesn't feel like home -- and that doesn't have her dad. And when a new neighbor gives her a mysterious crystal, her life is turned even more upside down by the Adorables, a mischievous band of magical creatures. They are messy, distracting, and, worst of all, they follow Jinx everywhere. She just wants to be left alone! (Well, maybe she's okay with getting to know another girl in her building, Robyn, a little better...) Getting rid of the Adorables turns out to be harder than expected, but they might just help Jinx find her way back to happiness.

My Name is Benny Vol. 1

By (author) Sokomin

Aug 05, 2025 | Paperback, Trade | \$16.99

Follow the adventures of quirky preteen Benny in this slice-of-life middle grade series from Webtoon that combines outlandish humor of *Regular Show* with the grounded setting and wacky characters of *The Loud House* for an irresistible reading experience.

Follow the adventures of precocious preteen tomboy Benny, who is never seen without their trusty gasmask (don't ask), and her fellow latchkey kids as they discover increasingly creative ways to stave off boredom in their suburban neighborhood. From waging war on insect home invaders to going all out for Halloween, Benny is down for weirdo adventures all day every day. Told through a series of short comic stories illustrated using digital watercolors, My Name is Benny is equal parts hilarious, awesome, and fun!

Contributor Bio

Sokomin is an artist who draws inspiration from simple, silly, everyday moments with friends and family. Born in South Korea, Sokomin moved to America at a young age, and her journey as an artist began with creating four-panel comics of stick figures for her little brother, her only reader at the time. She keeps a folder of notes for every idea that comes to her (which happens mostly when she's falling asleep). 20% of these have made it into comics. She's not lazy; she's just waiting for them to mature (she likes to call it "fermenting").

After life became too toxic to endure, Boo has moved out of her alcoholic mother's house. Can Boo and Mimi stick together? And is dealing with Mimi's unapproving mother any better than Boo's mom?

Contributor Bio

Sunny Funkhouser, AKA Sunny (they/them), is a neurodivergent, queer creator who has been writing ever since they were a teenager. Sunny is autistic with ADHD and likes to collect dolls, make reborn dolls, crochet, act, and sew. They love learning how to do things creatively. An avid table-top gamer, Sunny is a big fan of Dungeons & Dragons and Magic the Gathering. Musical theater is their other love aside from writing and Gloomy. They're also an ENFP for people that like that sort of thing. Angel, AKA Gloomy, has been making comics since they were 10, starting with a lovingly crafted *Sailor Moon* rip-off. Despite the soft magical girl influence in their work, their favorite genre is horror. Besides drawing, Gloomy loves to bake and garden (in theory, if they could only keep things alive), as well as collect merchandise from whatever is currently suiting their fancy, typically cutesy things like Ghibli or Sanrio. Opposite Sunny, they're as introverted as they come, but consider themselves friendly anyway. They're also obsessed with bagels.

Boy saves girl stuck on a disastrous hike. What could go wrong? So. Much.***Just Another Meet Cute* is the joyful and funny story about what happens when you realize you're dating the wrong twin.**

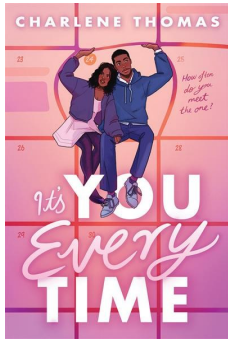

When seventeen-year-old Nina Riley gets saved by a super cute Knight-in-Faded-Khakis just as she lands in an embarrassingly 'ahem' sticky situation during the most disastrous hike known to man, she wasn't exactly looking for a meet cute. She really just needed some peace and quiet from her complicated family. Unfortunately, he disappears before she can properly thank him or get his number. All she has is his name (Ian Nguyen) and a navy jacket with a dog keychain, a gym card, and laundromat receipt. But a meet cute is a meet cute. And armed with years of watching Veronica Mars and a techy cousin, it should be simple enough for Nina to find the boy of her dreams, right? But when she finally tracks him down, he's different than she thought —right down to his name. Ryan is just as cute as she remembers, but the chemistry isn't there like it was before. After a few dates, she meets Ryan's family: his sweet grandma, his enthusiastic sisters, and his twin brother — Ian.

By (author) Charlene Thomas

May 06, 2025 | Paperback, Trade | \$16.99

A story about self-discovery, grief, and destiny that begs the question: How do you keep going when your world has stopped spinning?

When Sydney Michaels stops for breakfast in order to put off scholastic ruin a little longer, she never expected to—quite literally—bump into cute-boy stranger, Marcus Burke.

When Marcus invites her to have breakfast with him instead of going to class, she can't ignore the urge to get to know him better—or the fact that this charming new acquaintance seems just as interested in her.

After a magical day together in their hometown of New York City, Sydney is finally willing to believe that maybe—just maybe—after years of loss and heartache, she's finally reached the good part.

But when it comes time to say goodbye, as they linger in a crosswalk, something happens. An accident? Sydney isn't sure—all she knows is that, after screeching tires, blinding headlights, and a moment of searing pain, she opens her eyes and is back in her bed. On September 24—the morning of her big exam—again.

El Niño

By (author) Pam Muñoz Ryan , Illustrated by Joe Cepeda

May 06, 2025 | Hardcover \$24.99

An enthralling aquatic adventure rippling with mystery and magical realism from the beloved, *New York Times* bestselling author of *Esperanza Rising* and *Echo*. Perfect for fans of Kate DiCamillo, Tae Keller, Jacqueline Woodson, and Meg Medina.

Sometimes the only way to hold onto what we love is to let it go.

Kai Sosa is so passionate about swimming he is practically a fish. This summer, he's determined to become the athlete he once was on an elite invitational team.

But something invisible holds him back. His race times are off. Dreams of his sister Cali haunt him. And he hasn't found her missing gold cuff, her last request. Mom is still talking about grief, even though it's been two years. He's fine now, isn't he?

When Kai discovers a library book Cali had checked out multiple times—about an underwater realm and a mysterious place called the Library of Despair and Sorrow—details from the story begin to appear in his own life: dolphin pods, imposing rock towers, unusual sea creatures, and even Cali's beloved bracelet. As myth and reality collide, *El Niño* unleashes its fury, and Kai is swept up in a storm of events that will change his understanding of love, death, grief, and how best to honor those we've lost.

El Niño

PAM MUÑOZ RYAN

Dear Reader,

I live near the Pacific Ocean and love to be in, on, or near the water. I have always wanted to create a story about an underwater world.

Over fifteen years ago, I drafted a merfolk story that stalled when I began researching and writing my novel *Echo*, and then *Mañanaland*. But the idea of an underwater realm stayed with me, and I found myself drawn to books about lost worlds and island legends, as well as myths about my home state, California, and how it was named.

Those stories captured my imagination and inspired me to write my own origin myth—about a submerged, gold-encrusted island ruled by an Amazonian queen and inhabited by mermaliens, part humans and part sea creatures. I knew I wanted them to protect and care for something more precious than gold, but what? My mind played with possibilities.

Then the pandemic hit, and I stalled again. Loss and heartache were everywhere. Covid separated us from our families, our friends, and communities.

One day while on a video call with two close friends, one of them confided that she was going through a particularly difficult time. I cupped my hands, held them toward the screen, and said, “Hand me some of your sadness. I’ll take good care of it for you until you want it back.” My other friend offered to do the same. We all laughed. If only it were that easy.

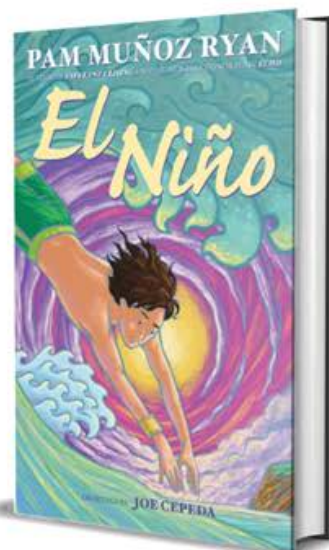

And yet, *could* it be? I began to wonder about a place where people’s grief and sadness could rest and be cared for so that the mourner could lay it down, if only for a time. Those imaginings led me to create the Library of Despair and Sorrow, a sanctuary for the world’s suffering, my “something more precious than gold,” in need of protection.

Enter my protagonist, Kai Sosa, a once up-and-coming swimmer with a chance to prove himself on an elite team, following in the footsteps of his legendary older sister, Cali, who disappeared at sea. Now his challenge is to figure out where he fits into the world without her and how to release the skiff of sadness he’s been towing. When he encounters the dolphin that was Cali’s last companion, and an ancient myth in a book she had read countless times, fantasy and reality collide as Kai suddenly finds himself on a desperate quest to fulfill his last promise to Cali—a promise that could have consequences for the whole world. It’s up to you to decide what’s real and what’s imagined.

El Niño challenged me to stretch myself creatively and buoyed me during a difficult time. I hope it offers you escape, enchantment, healing, comfort, epiphany, or all of them at once.

I can’t wait to hear from you.

Bellen Woodard adores ballet and always looks forward to reaching new heights. Though as she moves through dance, she begins to notice that pink leotards, pink shoes, and pink or white tights — often referred to as ballet pink — are synonymous with ballet. But what about brown tights and shoes? When her dance studio doesn't act, Bellen takes matters into her own hands and creates a way for all of us to see the "many beautiful colors of dance" — and she names it ballet brown.

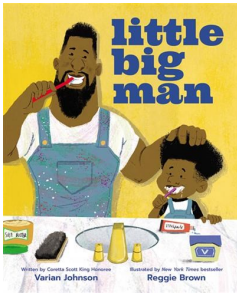

This second inspirational picture book from Bellen Woodard is all about standing up for what you know is right, even if the right decision is a difficult one.

Contributor Bio

Bellen Woodard is the young scholar, beloved trailblazer, and CEO of Bellen's More than Peach Project. As the world's first Crayon Activist, pioneer of "skin-color" crayons, and founder of the crayon/school supply brand for a new generation, Bellen has transformed an entire industry with a first-of-its-kind, innovative and inclusive project and brand that have become a global movement. She's received many notable awards and has been featured by Scholastic, TIME, Nickelodeon, and many others. Now entering high school, Bellen embodies self-expression and discovery. She also enjoys world travel, dance, and spending time with family, friends, and her two dogs. And she's just getting started! Fanny Liem was born and raised in Indonesia. She's loved drawing since she was a child. Her passion for storytelling and illustration started the first time she grabbed picture books, which were gifted to her by her uncle. When she is not drawing, she enjoys watching movies and listening to country music.

Never Thought I'd End Up Here

By (author) Ann Liang

Jun 03, 2025 | Hardcover \$26.99

From the author of the instant *New York Times* bestseller *I Hope This Doesn't Find You*, *Never Thought I'd End Up Here* is another hilarious and romantic romcom from Ann Liang, this time following a former model determined to get revenge on the boy who ruined her life.

Leah Zhang has spent her whole life in LA — it's all she's ever known. But after accidentally wishing her cousin ill health and a very depressing marriage at her wedding, her parents stage an intervention. She's forgotten most of her Mandarin, has zero regard for etiquette, and can't hold a conversation with her own grandparents for longer than a minute. Their solution? Send her on an intensive two-week travel program across China's most beautiful cities. To them, it's the perfect opportunity for Leah to get back to her roots. To Leah, it's simply a much-needed escape.

But before Leah can even begin to enjoy the luxurious hotels, stunning scenery, and mouth-watering cuisine, she finds that also on the trip is her former classmate and least favorite person ever: cynical, sarcastic Cyrus, who's somehow only gotten more annoyingly handsome since they last saw each other.

While Leah might be tempted to shove him off the peak of the Yellow Mountain when nobody's looking, she can't get rid of him just yet. After all, she might never get another chance to get revenge on the boy who ruined her life.

The Best Worst Summer of Esme Sun

By (author) Wendy Wan-Long Shang

Jun 03, 2025 | Hardcover \$26.99

Award-winning author Wendy Wan-Long Shang dives in to the deep end of sportsmanship, prejudice, and the power of friendship in this funny, heartfelt story about two very different girls and one shared passion: swimming.

Esme Sun absolutely does *not* care about winning shiny trophies or finally receiving some of the praise her mother bestows so lavishly on her three older, brilliant sisters. But, actually... it would be nice to be good at *something*. So when Esme discovers on the first day of summer, opening day at the community pool, that her growth spurt over the winter has made her a really fast swimmer, she wonders if she just might have found that thing.

After Esme has an uncomfortable encounter at the pool with a new girl, Kaya, Esme worries she may have hurt Kaya's feelings. Then, embarrassed by Esme's awkwardness, her friend Tegan, the cool girl at school who seems to do everything perfectly, makes Esme promise that from now on, she'll be chill, not act so babyish and intense about things--especially not swim team.

But when their swim competitions begin, and Esme starts winning, she finds that she actually cares a lot. In fact, she wants to break the pool's freestyle record. That doesn't mesh so well with her promise to Tegan. And as Esme tries to navigate swimming and her friendships, she searches for a way to apologize and make things right with Kaya.

Esme's mom's focus on winning confuses her, though, and she begins to wonder: Is winning really as important as she thinks, even if it means being unkind to your friends and teammates? Or is there another way to compete, to be a good sport

Reviews**Praise for *The Weight of Blood*:**

* " Jackson's expert reshaping of this tale highlights the genuine horrors of both internalized and externalized anti-Blackness. Horror done right." -- *Kirkus Reviews*, starred review

* " Jackson skillfully explores internalized and externalized anti-Blackness in this striking horror novel. Bone-chilling. Expertly utiliz[es] current true-crime fanaticism to form a powerfully socially conscious narrative that showcases the intense structural racism still inherent in society." -- *Publishers Weekly*, starred review

* " Jackson's nod to Stephen King's *Carrie* incorporates racially charged social justice themes into a narrative featuring her signature twisty suspense. Supernatural portions of the book are explosive and riveting, with the racist realistic parts are even more horrifying. Readers will be hooked from page one of Maddy's intense journey that detonates on prom night."

Millie Fleur Saves the Night

By (author) Christy Mandin , Illustrated by Christy Mandin

Jul 01, 2025 | Hardcover \$24.99

Wednesday Addams meets *The Night Gardener* in the sequel to *The New York Times* bestselling *Millie Fleur's Poison Garden*. A delightfully peculiar story about embracing the magic of the night.

Garden Glen was afraid of the dark.

Each night when the sun went down, all the lights in town turned on. The houses shone like the noon sun. Every house except for Millie Fleur La Fae's, of course.

Millie Fleur knows there are enchanting things that can only be glimpsed in the dark. But ever since she moved to Garden Glen, her nighttime friends are nowhere to be found.

Determined to welcome the dark back to town, Millie Fleur bakes delicious moon pies and plants a sweet-smelling moon garden. But before the nighttime creatures will return, Millie Fleur must convince the townspeople to be brave and turn off the lights.

Millie Fleur Saves the Night is a delightfully peculiar story that encourages readers to find beauty in the darkness. A gorgeous companion to *The New York Times* bestseller *Millie Fleur's Poison Garden*, perfect for fans of *The Dark* by Lemony Snicket and Jon Klassen.

To Catch a Ghost

By (author) Rachel Michelle Wilson , Illustrated by Rachel Michelle Wilson
Jul 01, 2025 | Hardcover \$25.99

A charming and humorous tale about the new girl who is determined to stand out at show-and-tell... by catching a ghost!

Bringing nothing to show and tell is like wearing shoes without socks.

It stinks.

So, when all you got is nothing, you need to catch yourself a something.

And if you've got gumption, that something could be a ghost.

Show-and-tell isn't for the faint of heart and if you show up empty-handed it's a surefire way to ensure that you're gonna get... ghosted! So, buckle up that belt, grab your camera, and ready your ghost trap! Of course, in order to build the perfect trap, you'll have to get to know your ghost first... will gardening and games complicate things?

A scary good tale about friendship and acceptance -- brought to life with Rachel Michelle Wilson's playfully charming illustrations!

Inspired by the classic nursery rhyme, *Over in the Mangroves* is a fresh take that layers counting and social emotional moments into a beautiful interactive tale. From dawn to dusk, this enchanting story follows forest animals as they fish, swim, dig, and bask before a storm sends them all searching for shelter among the mangrove trees.

What happens when friendship goes too far?

Tenth grade isn't going according to plan for Lainey. Her twin brother moved across the country to live with their dad and stepmom, leaving Lainey -- and her anxiety -- behind. And Lainey's starting to realize that maybe most of her friends were really her brother's friends. Thank god for Bliss.

Bliss is navigating her own tough sophomore year, determined to find her place. But no matter what's going on in her life, Bliss is really good about being there for Lainey. She's confident and fearless, all that Lainey wishes she could be. It seems like Bliss is getting everything she's ever wanted, including a new boyfriend and becoming the first wheelchair user to land a lead role in the school production.

What no one knows is that Bliss is struggling. At school it feels like everyone is always watching her, and at home, she's overwhelmed by her parents' expectations. When things get worse for Bliss, Lainey stops hearing from her completely. Panicked that something awful has happened, Lainey rushes to find out what's going on. But when Lainey arrives at Bliss's apartment, nothing is what it seems, and everything Lainey thought she knew about her friend is a lie...

By (author) Zanni Arnot

Aug 19, 2025 | Hardcover \$25.99

Simultaneously introspective and humorous, *A Guide to Falling Off the Map* is a funny, tender, messy, and authentic story about two teens who fall in love on the precipice of things falling apart.

Outgoing Vinnie Smith has her NYC future planned with her best friend Lilah. Meanwhile, her childhood friend Roo Carpenter is barely getting by, having dropped out of high school to work a shady job and support his mom.

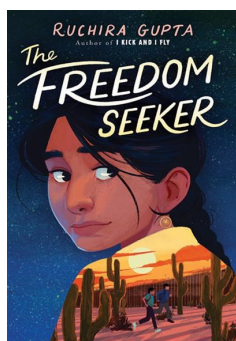

But when Vinnie's world starts falling apart — plagued by severe headaches, rejected as drama captain, and betrayed by Lilah — she decides to fix Roo's life instead. They hit the road across inland Australia in her mom's old Kombi, reliving their past adventures.

As they travel, Vinnie's unresolved grief over her mom resurfaces, her health deteriorates, and unexpected, intense feelings for Roo begin to threaten their friendship. Can they navigate their emotions and find a way forward, or will everything they've ever known come crashing down?

From *New York Times* bestselling and award-winning author Claribel A. Ortega: The third book in the spellbinding *Witchlings* series!

Spares are disappearing.

The Spares of Ravenskill have less magic and less power than the other covens. That's just the way it is -- the way it's *always* been. But now Spares are starting to disappear. And no one seems to care.

Nothing is more important to Seven Salazar and Thorn Laroux than finding a way to cure their best friend, Valley Pepperhorn, from the hex that is slowly making its way closer and closer to her heart. Still, they have to figure out what's happening to the Spares. What if whoever is responsible for the disappearances is the same person who was behind the hex?

The problem is that with so many people scared and angry about the chaos in their town -- and blaming the Spares, especially the *Witchlings* -- it feels like it could be almost anyone.

As Seven and Thorn dig deeper into the mysteries of Ravenskill, they start to uncover secrets that have long been buried and forgotten. What they find will
