The New Girl

The New Girl: First Crush: A Graphic Novel (The New Girl #2)

By (author) Cassandra Calin 🇨🇦, Illustrated by Cassandra Calin 🇨🇦

May 05, 2026 | Paperback, Trade | \$20.99

Cassandra Calin returns with this charming and comical follow-up to *The New Girl*, her long-form graphic novel debut that became a *New York Times*, *USA Today*, *Publishers Weekly*, and Indie bestseller! This middle-grade graphic novel about crushing and being crushed is the perfect next read for fans of *Guts* by Raina Telgemeier, *Fruitcake* by Rex Ogle and Dave Valeza, and *Parachute Kids* by Betty C. Tang.

Lia is finally feeling settled into her new life. Her friends are amazing, her French is improving, and her periods... ugh, those are still terrible. But Lia's crush, Julien, is noticing her. Lia *thinks* he likes her, but she can't tell for sure. And while she's obsessing over him, Lia's not noticing another person's growing crush on HER. With so many big feelings and even bigger changes, could things get any worse?

In this follow-up to the breakout hit *The New Girl*, Lia's relationships -- with her friends, her crush, her mom, and even herself -- are all tested like never before.

Eleven Out of TenBy (author) Stacey Matson 

Jun 02, 2026 | Paperback, Trade | \$12.99

Albie's summer is looking like it's going to be the best ever — an eleven out of ten! Or is it?

Excited about a break from home-schooling, Albie can't wait to spend every minute with her best friend — her cousin Lake — either in Lake's swimming pool or working on their project for the Young Entrepreneur Club contest. But then Lake has a serious diving accident and is rushed to the hospital in critical condition.

Lake is placed in the ICU, where her fate remains uncertain. Now Albie's summer is ruined: She's separated from her cousin, who she's desperately worried about, and stuck in a boring day camp with her little brother. Without Lake around, Albie has to deal with the other kids at camp, not finding fun and solace in the water, and having to create a business all on her own. Albie's never been one to take charge, but this might be her summer to do just that. After all, Lake is counting on her. But is Albie betraying Lake by making new friends in her absence?

The Other Side of Perfect

By (author) Melanie Florence 🍁, By (author) Richard Scrimger 🍁

May 05, 2026 | Paperback, Trade | \$12.99

Two kids from different worlds form an unexpected friendship.

First published as *Autumn Bird and the Runaway*. Cody's home life is a messy, too-often terrifying story of neglect and abuse. Cody himself is a smart kid, a survivor with a great sense of humour [HE1] that helps him see past his circumstances and begin to get himself out. Autumn is a wealthy girl from an Indigenous family who has found herself in with the popular crowd even though she's not sure that's where she wants to be.

One night, while returning home from a movie, Autumn comes across Cody, face down in the laneway behind her house. All Cody knows is that he can't take another encounter with his father like the one he just narrowly escaped. He can't go home. But he doesn't have anywhere else to go. When Autumn agrees to let him hide out in her dad's art studio, Cody's story begins to come out, and so does hers.

Bear for Breakfast

By (author) Robert Munsch 🍁, Illustrated by Jay Odjick 🍁

Jun 02, 2026 | Board book \$10.99

Donovan is going on a bear hunt in this popular story, now in a sturdy board format!

Donovan knows exactly what he wants for breakfast: not eggs, not pancakes, not cereal. He wants BEAR, just like his Indigenous grandfather used to eat for breakfast!

So Donovan sets off to bag a bear of his own, going on an adventure through the woods, where he meets an ant, a squirrel, and a dog — but they are not bears, so he shoos them away!

When Donovan meets a real, big and growling bear, he quickly learns that sometimes breakfast tastes best when it doesn't have any teeth!

This board book edition has been simplified for the very youngest readers.

Dear Classroom 1B

By (author) Lynn Leitch , Illustrated by Christine Battuz 

Jul 07, 2026 | Hardcover , Picture book , Paper over boards | \$19.99

Meet Norm — a hamster who knows his boundaries!

Okay, 1B.

We need to talk. The paper rolls you pushed into my house? Those are a win. I'll shred them to make my place cozy.

But do you know what's NOT cozy? Being picked up and smooshed in your arms. Not everyone's a hugger, okay?

Boundaries, people. Boundaries!

Norm

After a bumpy introduction to his new home, Norm — a classroom hamster — is forced to take matters into his own paws. Unless he can convince the kids of Classroom 1B how he wants to be treated, he'll be destined for a whole year of water fountain baths, interrupted naps and (ugh!) hugs. A hamster has his limits, no matter how cute and cuddly he might look!
