Also be sure to check out the two acclaimed major motion pictures: *Dog Man* and *Captain Underpants: The First Epic Movie*.

Contributor Bio

When Dav Pilkey was a kid, he was diagnosed with ADHD and dyslexia. Dav was so disruptive in class that his teachers made him sit out in the hallway every day. Luckily, Dav loved to draw and make up stories. He spent his time in the hallway creating his own original comic books -- the very first adventures of Dog Man and Captain Underpants. In the second grade, Dav's teacher ripped up his comics and told him he couldn't spend the rest of his life making silly books. Fortunately, Dav was not a very good listener.

By (author) Cassandra Calin 🇨🇦, Illustrated by Cassandra Calin 🇨🇦

May 05, 2026 | Paperback, Trade | \$20.99

Cassandra Calin returns with this charming and comical follow-up to *The New Girl*, her long-form graphic novel debut that became a *New York Times*, *USA Today*, *Publishers Weekly*, and Indie bestseller! This middle-grade graphic novel about crushing and being crushed is the perfect next read for fans of *Guts* by Raina Telgemeier, *Fruitcake* by Rex Ogle and Dave Valeza, and *Parachute Kids* by Betty C. Tang.

Lia is finally feeling settled into her new life. Her friends are amazing, her French is improving, and her periods... ugh, those are still terrible. But Lia's crush, Julien, is noticing her. Lia *thinks* he likes her, but she can't tell for sure. And while she's obsessing over him, Lia's not noticing another person's growing crush on HER. With so many big feelings and even bigger changes, could things get any worse?

In this follow-up to the breakout hit *The New Girl*, Lia's relationships -- with her friends, her crush, her mom, and even herself -- are all tested like never before.

Midsummer Sisters (A Graphic Novel)

By (author) Niki Smith , Illustrated by Niki Smith  
Jun 02, 2026 | Paperback, Trade | \$20.99

*Midsummer Sisters* is a contemporary graphic novel about two sisters who find themselves watching over a wild foal during a summer of change. A stunning story about the power of sisterhood.

Kenzie and Quinn aren't just stepsisters — they're best friends. They're spending the summer with their grandmother, kayaking in the marshy coastal islands she calls home. The Outer Banks are also home to a herd of wild ponies, and the girls fall in love with a fragile newborn foal that they name Starling.

But even blue skies and sandy beaches can't distract from what's going on back home. Things between their parents aren't the way they used to be, and the constant fights have left Kenzie and Quinn anxious and confused. They can't remember a time when they weren't a family. If their parents divorce and Quinn and her mom move away, will they even still be sisters... or will they be nothing?

As their world shifts around them, the girls swear to do the one thing they can: keep Starling safe.

Award-winning cartoonist Niki Smith delivers a stunning story set during a summer of change. Filled with gorgeous and expressive illustrations, *Midsummer Sisters* is a celebration of the beauty of wild horses, as powerful as the unbreakable bond between sisters.

## Opting Out

By (author) Maia Kobabe, Illustrated by Lucky Srikumar

May 05, 2026 | Paperback, Trade | \$20.99

**From the award-winning author/illustrator of GENDER QUEER and a bright new talent, the story of a kid named Saachi, who is navigating friendship woes, sister issues, a new crush, and a resistance to blue-and-pink binaries.**

*Bodies are the worst. I wish I didn't have a body.*

Saachi is a storyteller. At school, she's surrounded by kids she's known forever -- including her best friend, Lyla, who shares Saachi's love of fantasy novels and creating new worlds.

But as seventh grade starts, kids are changing. Suddenly, it matters who you like and if you can find a boyfriend or girlfriend. Even Lyla seems more interested in hanging out with her new boyfriend than in writing and drawing with Saachi anymore. Saachi's not interested in any of that boy/girl stuff. Why can't things just stay the way they were?

Saachi also doesn't love all the ways her body is changing. What if she doesn't feel like a girl -- or like a boy, either? In a world where there is so much either/or, Saachi is going to need to find her own options ... and create her own story.

#### Thunder Roads and Evil Trash Cans

I woke to the sound of thunder.  
"Hurricanes!" I cried.  
But it was only the sound of my minions coming down the stairs.  
"Take you for a walk," Lucy said, opening the door of my prison. "I know the leash is a pain. It's just to keep you safe."

*We can't tell you who we are. Or where we live. It's too risky. And we've got to be careful. But everyone is in danger. Yeah. Even you.*

If someone told you Earth was under a secret invasion, what would you think? Rachel had a hard time believing it, even after she and her friends saw what they saw -- and received an incredible power. The power to become any animal they touch.

Rachel knew they were in danger from the start, so when it's suggested that they use their new powers to spy on one of their enemies, she rises to the challenge. But when she discovers what the Animorphs must do to win, will it be more than Rachel can handle?

Like We Were in Paris

By (author) Stephan Lee  
May 05, 2026 | Paperback, Trade | \$18.99

*Heartstopper* meets *Before Sunrise* in this irresistible, swoony YA rom-com about two boys unexpectedly falling in love over the course of one night in Paris.

Ben Lim is so excited for his French Club's trip to the most romantic city in the world: Paris. Ben's even made a to-do list of all the things he wants to accomplish, like see the Mona Lisa IRL and read a book in a sophisticated cafe. Also, Ben's parents honeymooned in Paris, and being there will help Ben connect more to the memory of his late dad.

But things go wrong the first night when Ben misses curfew and finds himself locked out of the youth hostel...until morning.

Also locked out? Tyler Travers, the most popular and handsome boy in school. Who, oh yeah, happens to be Ben's former friend and current nemesis.

Ben cannot deal with Tyler's entitled-jock attitude. But now that they're thrown together, the two of them end up roaming around Paris and stumbling upon some cool sights--like the glittering Eiffel Tower, a drag show in the Marais, and even a chance to "borrow" a moped.

As their misadventures take them all across the city, Ben fights his growing attraction to Tyler, which was NEVER part of the plan. The two of them couldn't be more different. Besides, Tyler doesn't even remember that they were once friends. Right?

**Goldenborn**

By (author) Ama Ofosua Lieb

May 05, 2026 | Hardcover \$28.99

**A girl with a mission. A god with a deal. A story that could change everything.**

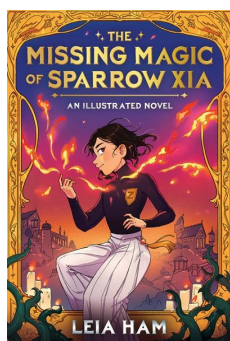

**When 17-year-old Akoma Addo stumbles into a world of ancient gods and modern magic, she'll have to choose between saving her father... or staying true to everything she's ever believed.**

Akoma Addo has one rule: don't get too close to the supernatural.

Ever since a blazing orb of light left her father in a coma, she's buried herself in her secret job investigating magical crimes in San Francisco's AfricaTown -- just enough to keep her grief at bay. But when a body turns up in a pool of molten gold and ash, Akoma's pulled into something much bigger -- and far more dangerous. At the center of it all is Anansi, the trickster god of stories, who makes her an impossible offer: help him catch a killer and awaken the ancestral magic buried deep in her blood... and in return, he'll give her a chance to bring her father back. To take the deal, Akoma will have to lie to everyone she loves and embrace the very power she's spent years trying to deny. And as her connection grows with Xander, the new guy in town with secrets of his own, Akoma must decide who she can trust -- especially when she's no longer sure she can even trust herself. Rooted in Ghanaian mythology and packed with mystery, danger, and slow-burning romance, *Goldenborn* is a gripping fantasy about legacy, lies, and what it really means to rewrite your story.

**The Missing Magic of Sparrow Xia (An Illustrated Novel)**

By (author) Leia Ham

May 05, 2026 | Hardcover \$23.99

**With atmospheric illustrations full of warmth, adventure, and friendship on every page, *The Missing Magic of Sparrow Xia* is an unforgettable magical school story.**

To Sparrow Xia, power feels like fire; red-hot sparks dancing along her fingertips, or the blazing flames her brother wields. In a world where kids have magic and adults don't, being a super-rare fire mage should give her the edge she needs to make the most of her magical years. But Sparrow feels like a fraud—for all its rarity, her fire-magic is so weak she can barely conjure more than a match flame. Starting school at Zenith Academy for Magical Development is her one chance to finally strengthen her magic—to turn her pitiful match flame into something powerful. Something special.

While Sparrow battles to master her talents, a strange illness begins to seep into the school, draining students of their magic. When Sparrow and her new friends are drawn into the search for a cure, they'll soon find that when magic means everything, some people will go to terrifying lengths to try to keep it...

With exciting, atmospheric illustrations on every page, *The Missing Magic of Sparrow Xia* is the beginning of an unforgettable adventure overflowing with friendship, mystery, and the truth that magic is everywhere.

# THE MISSING MAGIC OF SPARROW XIA

LEIA HAM

Dear Reader,

I doubt I'm alone in this, but growing up, I had no choice but to be special. The currency to earn love was effort, was achievement. In between classes, extra tutoring, piano lessons, and etiquette courses, I devoured stories about Chosen Ones, prophecies, and magic, and hoped that the things that set me apart would be all good—that I was special, instead of odd.

For my debut novel, I wanted to write something that might give strength to a kid that was like me when I was young. Or might give comfort, when the mandate to live up to their future feels like an impossible burden, and they worry they'll never become who they're supposed to be.

Sparrow—who desperately wants her magic to be strong, who wants to impress her family, to be the perfect kid and earn love and respect—exists in many of us, so I tried to write a story where she gets to go on an adventure, make friends, and learn that the best thing about her isn't her magic and what she can do with it. The best thing about her is who she is.

And if Sparrow started from pain, then her new school, Zenith Academy, was born from joy. The easy, uncomplicated joys—my childhood obsession with magical girls, castles, and stained-glass windows. At twelve, I wanted to go away, somewhere magical and sparkly, to find myself. I kept those memories in mind when sketching out the world of Zenith, its arches and alcoves, carved stone birds, and inlaid tile an offering to the child I remember staring avidly at anime “Art Of” books in the store. My hope is that the book, full of my own art, will be as exciting for you to read as it was for me to illustrate.

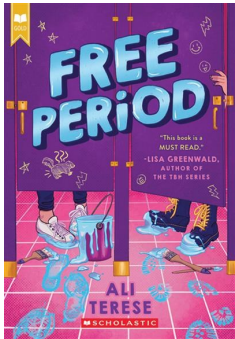

*The Missing Magic of Sparrow Xia* is about what happens when you have to be special, and how it feels like you're running out of time to do so. It's about magic and pressure and how sometimes the future is the most terrifying thing ever. But it's also (I hope) about friendship, kindness, and finding the courage to be who you are, good and bad. Enough as you are.

With love and respect,

**Leia**

Free Period (Scholastic Gold)

By (author) Ali Terese  
May 05, 2026 | Paperback, Trade | \$12.99

This middle-grade *Moxie* centering period equity is *Are You There God? It's Me, Margaret* for the next generation!

Longlisted for the National Book Award

"Absolute fire." -- *Book Riot*

Helen and Gracie are pranking their way through middle school when a stinky stunt lands them in the front office -- again. Because nothing else has curbed their chaos, the principal orders the best friends to do the unthinkable: care about something. So they join the school's Community Action Club with plans to do as little as humanly possible.

But when Helen is caught unprepared by an early period and bleeds through her pants -- they were gold lamé! -- the girls take over the club's campaign for maxi pads in bathrooms for all students who menstruate. In the name of period equity, the two friends use everything from over-the-top baked goods to glitter gluing for change. But nothing can prepare them for a clueless school board (ew), an annoying little sister (ugh), and crushes (oh my!).

"This book is the period equity anthem we've been waiting generations to read. It glitters with humor and shows us the power that comes from staring down injustice. *Free Period* is about to start something BIG." - Carrie Firestone, author of *Dress Coded*

"A funny and fast-paced story about two steadfast best friends who refuse to go with the flow. It has everything I love about middle grade fiction: friendship, crushes, and a girl who is not afraid to stand up for what's right." -- *Book Riot*

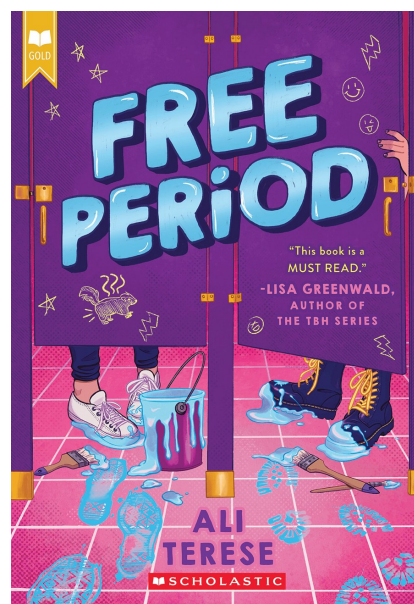

# FREE PERIOD

## A GLITTER GUIDE TO PERIOD EQUITY

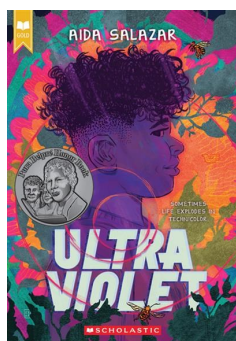

- Periods aren't a "girl issue" — they're a human rights issue.
- Pads are needed for school. Students shouldn't have to choose between soaking in blood and jetting home when their period arrives.
- Put pads in the bathrooms! Kids don't go to the bathroom in the nurse's office. The pads should be where they actually use them. Hint: It is also where people poop, which is why you put the TP there.
- Put pads in ALL the bathrooms—if a kid has a uterus, they may be getting their period no matter which bathroom they use.
- Seeing pads reminds people our periods exist. If we can get past that absolute minimum point, maybe we can talk about real equity, like what it takes to help students get through their period cramps and stay at their desks.

**Mama Says I'm Fine**

By (author) Brittney Cooper , Illustrated by Tamisha Anthony

Apr 21, 2026 | Hardcover \$27.99

**From *New York Times* bestselling author, Brittney Cooper, comes a heartwarming story of love and resilience that explores the powerful force of a mother-daughter bond.**

*All my life, my mama has said two words to me. "You're fine." It's just two little words. But those two words can mean a lot.*

When a young girl faces tough obstacles or hard days, her mama always soothes her with two loving words: "you're fine." Incredibly simple, yet powerfully affirming, she discovers that being fine can mean so many things -- sometimes it means having courage and speaking out, sometimes it means being proud of who you are. And when learning that even strong mamas can have tough days too -- she realizes that "I'm fine" can simply mean things are not okay, but they will be. But most importantly, it's a reminder from her mother that she will always be enough.

With Brittney Cooper's beautiful and empowering text and Tamisha Anthony's warm and dazzling illustrations, this book perfectly captures the unconditional love between mother and child and serves as a heartfelt affirmation to all readers that they're enough and will always be perfectly fine.

Jun 02, 2026 | Paperback, Trade | \$20.99

**A thrilling, twisty homage to *The Face on the Milk Carton* about a trans boy who discovers that he was kidnapped as a child, and that his birth parents are still out there searching... for their daughter.**

Jaden's seventeenth birthday was meant to be monumental. As a surprise, his dad and Jaden's boyfriend, Andy, arranged to take him to the courthouse to get his name changed to reflect his gender. But, horrifyingly, the clerk accuses Jaden's dad of forging Jaden's original birth certificate, and due to his criminal past, he's arrested.

Heartbroken but also suspicious, Jaden secretly takes a DNA test and makes an even more shocking discovery: he's not biologically related to his dad. Jaden can't imagine his mother cheating, but the truth might be worse -- further DNA testing also identifies Jaden as a perfect genetic match for a couple who have spent the last seventeen years searching for their kidnapped child.

Their kidnapped *daughter*.

After years of struggling to come to terms with his gender identity as well as his parents' complicated pasts, Jaden is forced to re-evaluate everything. Who is he really? And where does he belong? With the dad who raised and loved him, and supported his transition without question? Or with the parents Jaden's never met, who might never be able to accept Jaden as their son?

# FIFTH GRADE TOP DOGS

JERRY SPINELLI

Dear Reader,

The old schoolyard chant I had relied on before had only four lines:

“First grade babies

Second grade cats

Third grade angels

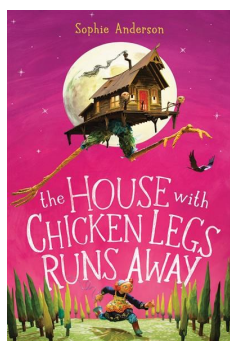

Fourth grade rats”

It felt like time for another, but I’d already done angels and rats, and wanted to aim higher than babies and cats. I considered that while elementary school ended at sixth grade for nearly everyone in my day, now, for many kids, it’s fifth grade. Meaning, when you hit that grade, you became . . . TOP DOG.

Wicked, Great and Small (The School for Wicked Witches, book 4)

By (author) Will Taylor  
Jul 07, 2026 | Paperback, Trade | \$12.99

The wicked-ly good *New York Times* bestselling series continues with some new perils in Oz.

Ava is getting a little tired of told when to use her magic... and when to leave it to the adults. Case in point: When a helpful curse is broken, her friend Henry goes physically from being a small boy to being a big giant. And, even worse, he's in the cafeteria at the time, and he's now stuck inside, too big for any of the doors. Ava wants to help -- but the head of the School for Wicked Witches tells her and her friends to let the teachers figure it out.

This isn't good enough for Ava. She, Crow, and Tinabella are going to do whatever they can to help Henry. They've even found an ally in an older girl named Angelica, who Ava thinks is really cool... and who Tinabella doesn't trust. When Ava's magic wobbles at the exact wrong time, she and her friends are suddenly in more trouble than ever. But will the way out be a good one... or will it lead to something wicked?

Some nights Elba counts the stars until the last one blinks out. Her worries won't let her sleep.

Norris knows that worry comes from telling yourself the wrong story.

"Just for today, can you try telling yourself a different story?"

"How?" asks Elba, who does love stories.

"Start like this: 'And they lived happily ever after.'"

"But isn't that the end?" asks Elba.

"I like to know where the story goes, so I always put that in first."

Together, the two friends create a new story, one without any worrying. But when their tale launches them on an unforeseen adventure, it's Elba who shows Norris that while a story can take unexpected turns, they have the power to create their own happy ending.

By (author) Tiffany D. Jackson

Aug 04, 2026 | Hardcover \$27.99

From mega-bestselling author Tiffany D. Jackson comes this highly anticipated follow-up to her middle grade debut *Blood in the Water*.

Savannah, Georgia, is a city on edge when twelve-year-old Harmony arrives with her blues musician father for a summer gig. The recent disappearance of a local boy remains unsolved and the trail has gone cold, leaving the simmering community without answers or closure.

Savannah, with its mossy trees and ornate old homes, is also a place rich in history...and ghosts. Ghosts are what pique Harmony's interest. Still reeling from her losses back home, Harmony wants to believe in ghost stories...but isn't sure what's real. When she goes on one of the many ghost tours around town, she takes a photo of what *might* be a ghost. Or is it a hoax?

As Harmony and her new friends look into the truth behind the ghost picture, they stumble into a dangerously tangled web of ambition, lies...and murder.

Can Harmony unravel the mystery in time...or will she have to give up the ghost?

# GHOST IN THE NIGHT

TIFFANY D. JACKSON

Dear Reader,

Fun fact about me: I love going on ghost tours. In every new city I visit, I try to carve out a little time to find a haunted spot to explore. You can learn so much about a city from the dead.

Right before the publication of my debut middle-grade mystery, *Blood in the Water*, I was meeting with the good folks at Scholastic. I happened to recount a story of seeing my very first ghost in Savannah ten years before, and how hilarious it is that I'm always the only black girl on the ghost tour. My editor quickly said, "Ooh, there's a story there!" And I happily agreed.

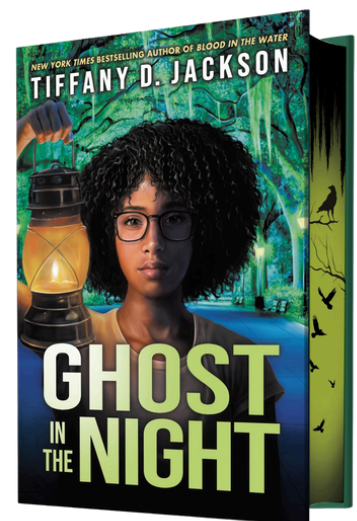

On my research trip to Savannah (because I ALWAYS need a research trip), I had dinner with a local parapsychologist, Dylan Jones, and our conversation about ghost-hunting turned into a discussion about grief and how it manifests, especially in children. I wanted to explore this idea in the character of Harmony, and how her desire to soothe her pain leads her to an obsession with ghosts. Is that why I too am obsessed with all things ghostly? Maybe. The paranormal tends to provide answers when there are none. Especially for young minds who are eager for explanations about everything.

As I was scouting Savannah's historic district, I spotted an abandoned mansion in the exact square I saw my very first ghost. A rare gem as most of the ancient buildings are occupied. (I love a good serendipitous moment!) Calhoun Square, now renamed Taylor Square, was built over a former cemetery for enslaved Africans. Though it's now a quaint park, it still carries a heaviness in the air. In this story, you'll learn more about Savannah through the lens of some young Black ghost hunters. You'll also get a sense of just how much research I did on ghost-hunting equipment and practices—so much research, in fact, that I experienced a haunting that made my blood turn cold. (Ask me about it next time I see you!)

*Ghost in the Night* was born from my love of ghost tours and Savannah. It explores grief, family, and community—with a murder mystery thrown in, of course. I hope readers recognize themselves not just in Harmony, but in the people who love and surround her. This is my second middle grade thriller, and you'd think I've learned a thing or two from the last. But nope! I feel as clueless as ever. But that's the beauty of writing middle-grade. It challenges and stretches me in ways other genres do not. Kids still challenge me. And I love that for me.

Just as I hope you love this read.

Best,  
Tiffany

From Natalie Lloyd, bestselling author of *A Snicker of Magic* and *Hummingbird*, comes a heart-expanding adventure about the magic of family, friendship, and the lengths we go for the people we love.

Eleven-year-old Roxie was excited to start sixth grade... until a mortifying incident at a pool party turns her into a middle school laughingstock. Roxie can't imagine enduring a full year of bullying and body shaming, so when her country music star Granny invites Roxie to join her on tour, she jumps at the chance to leave her troubles behind. But then Granny--who's been struggling with memory loss--goes missing, leaving Roxie without an escape plan... and without her best friend.

Grayson doesn't mind being sent to yet another foster home. Her older sister, Beanie, is about to turn eighteen, which means she'll be able to become Grayson's guardian. It won't be long until they live in the same house again. It won't be long until they get to be a real family. But when Beanie's birthday finally arrives, she doesn't show up to collect Grayson. She doesn't respond to calls or texts. It's almost like she's just... vanished.

Roxie knows Granny would never leave without saying goodbye. And Grayson is certain Beanie would never abandon her. So when the new friends learn about the Witching Wind that "steals" what people love most, Roxie and Grayson are certain they've discovered the truth. Granny and Beanie didn't just disappear--they were taken. And it's up to Roxie and Grayson to outwit the Witching Wind before it's too late.

Aug 04, 2026 | Hardcover \$21.99

**Duckie, our feisty yellow duckling, and Snaps, our cautious green crocodile, hear a very scary sound in the jungle. Can they be BRAVE, even when they aren't feeling brave?**

### Reviews

#### Praise for *Duckie & Snaps: We Cannot Be Friends*:

"Filled with humor and heart, Duckie and Snaps' antics will naturally garner comparisons to Elephant and Piggie and serve the same beginning-reader audience. This tale of friendship reminds children and grown-ups alike that while we are all different, we can still be friends. A fabulous start to a series that young readers will eagerly enjoy." -- *Booklist*

**Signs of Survival: A Memoir of the Holocaust**

By (author) Renee Hartman , By (author) Joshua M. Greene

Jul 07, 2026 | Paperback, Trade | \$13.99

**RENEE:** *I was ten years old then, and my sister was eight. The responsibility was on me to warn everyone when the soldiers were coming because my sister and both my parents were deaf.*

*I was my family's ears.*

As Jews living in 1940s Czechoslovakia, Renee, Herta, and their parents were in immediate danger when the Holocaust came to their door. As the only hearing person in her family, Renee had to alert her parents and sister whenever the sound of Nazi boots approached their home so they could hide.

But soon their parents were tragically taken away, and the two sisters went on the run, desperate to find a safe place to hide. Eventually they, too, would be captured and taken to the concentration camp Bergen-Belsen. Communicating in sign language and relying on each other for strength in the midst of illness, death, and starvation, Renee and Herta would have to fight to survive the darkest of times.

This gripping memoir, told in a vivid "oral history" format, is a testament to the power of sisterhood and love, and now more than ever, a reminder of how important it is to honor the past and keep telling our own stories.

**Contributor Bio**

Renee Hartman was born in Bratislava, which is now the capital of Slovakia. She and her sister were arrested by the Nazis and imprisoned in Bergen-Belsen, where they endured horrifying conditions, and where Renee nearly succumbed to typhus. After being liberated, Renee and her sister immigrated to the United States. Ever since, Renee has written about her experiences in the Holocaust. Renee passed away in 2025. She is survived by her children and grandchildren. Joshua M. Greene produces books and films about the Holocaust. His documentaries have been broadcast in twenty countries and his books translated into eight languages. He has taught Holocaust history for Fordham and Hofstra Universities. He lives in Old Westbury, New York.

**Reviews****Praise for *Signs of Survival*:**

"Narrated in a matter-of-fact tone... The story is rich in the depiction of the sisters' strong sustaining relationship throughout their horrific ordeals." -- *Publishers Weekly*

"Difficult to read at times, this touching narrative is a poignant addition to the World War II Holocaust canon." -- *School Library Journal*

"An extraordinary tale of sisterhood and survival, told with simplicity." -- *Kirkus Reviews*

**Praise for *Fighter in the Woods: The True Story of a Jewish Girl Who Joined the Partisans in World War II*:**

"[A] notable story of courage." -- *Booklist*

**Praise for *The Girl Who Fought Back*:**
