Chapter 1: A PECULIAR PET

.....

Gunthar!
Alex! Come inside.

The Cryptosub is fixed. It's almost time to take it on our next mission!

You see that
over there?

That's Alexander and
Gunthar's igloo.

They love playing in it. But
they always end up arguing.

I say, let goblins
and elves be goblins
and elves!

I'll just give
them a little more
time out here.

You get fifteen more minutes.
Then get in here, you guys!

I said no,
Gunthar!

But, Alex—

Blizz Richards didn't know that his helpers were miles away ...

Gunthar, you're keeping
a dinosaur as a pet?

You won't be able to keep it a secret from Blizz forever. And anyway, it's super dangerous.

That thing is a wild animal.

You can't tame it.

Oh, relax, Alex!
My dino likes me.

He eats from my hand.
He's totally gentle.

See?

Come here . . .
good boy!

OOOF!

Yeah, sure. He looks real tame to me.

He just
needs to be
trained.

He's a wild
animal, not
a pet. C'mon,
we better
get back.
