

Mr Fullerman has given us this reminder about the school photograph tomorrow. While he's handing the rest out, and telling us to wear a proper uniform (that kind of thing), I get to doodle on my rubber.

Oakwood School REMINDER

The school photographer will be coming to take lovely, cheery photographs of all the pupils.

If your child has brothers or sisters in the school and you'd like a group photo, fill in the form below.

Name..... Class.....

Brother/sister.....

LUCKILY for ME I avoided having a photo with Delia.

I HOPE you'll ALL remember that you have your SCHOOL PHOTO tomorrow. So SMILE!

As he's talking, I can see some SUNLIGHT bouncing off the top of his head. It's like a little STAR twinkling, making it look like he's got SHINY, happy hair. Which makes me WONDER what he'd look like ...

Ha! Ha!

(and long arms.)

... with OTHER HAIRSTYLES?

(Go on ... have a go!)
